

20 JUL 1983

REAL ESTATE AND CONSTRUCTION DIVISION WEEKLY REPORT
FOR PERIOD ENDING 20 JULY 1983

1. Progress Report Tasks Assigned by the DCI/DDCI:

None

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

a. Additional Parking for [] Building - On 14 July, C/REB/RECD and a representative of the consulting A&E firm met with representatives of the National Health Laboratories (NHL) to discuss our proposal to develop additional parking space adjacent to the [] Building. NHL requested that RECD prepare several options for their consideration on how this project might be negotiated and what the costs would be. C/REB will prepare options for further discussion with NHL. []

b. Projections for Vacating Buildings - On 14 July, C/REB/RECD met with Mr. William Jenkins, Director of the Real Estate Division, National Capital Region, General Services Administration (GSA), and other GSA officials in response to GSA's request that this Agency identify buildings we plan to vacate when we get the new building on the Headquarters compound. It was agreed that this information could only be provided on a classified basis and would be very tentative at this time. []

c. Reporting to General Services Administration - Real Property - Following up on a letter to Mr. Ray Kline, Deputy Administrator, General Services Administration (GSA), C/REB/RECD met with GSA officials on July to discuss real property reporting requirements. C/REB informed that we could no longer provide detailed information regarding Agency real property holdings on an unclassified basis. However, it was agreed that if required by GSA, specific information could be made available to cleared individuals on a classified basis. []
